PRE-SAFARI OPTION:

You have the opportunity to take a scenic flight from Maun over the Delta to see the islands and twisting water channels from the air (COST: from €120 based on minimum 3 passengers participating).

Days 1-2: Moremi Game Reserve, camping

Your guide will meet you at 7.30 am at a pre-arranged meeting point in Maun. From Maun you will drive through to Moremi Game Reserve, one of the best wilderness areas of Botswana which covers swamp and dry areas. The next two days will be spent searching for the wide variety of wildlife and birds that this area is renowned for, while absorbing the sounds and beauty of this region. A mokoro excursion will take you along a channel of the Khwai River to view game from another perspective and to experience this tranquil mode of transport. Game drives in the early morning as the sun rises and in the late afternoon as the sun sets will be the norm.

Camping will be in private designated campsites with ensuite bush ablutions on every tent. (B,L,D)

Day 1: Maun – Moremi Game Reserve: 150km, 6h (including game drive)

Mokoro excursion: 2,5 h

Days 3-4: Savuti/Zwezwe - Chobe National Park, camping

Chobe National Park, with its diverse and striking landscapes, will be your next destination. As you continue your search for wildlife, you will traverse the drier region of Savuti where bull elephants dot the plains. Savuti is very well known for its predators such as lion, leopard, cheetah and even African wild dog. The Savuti Channel has started flowing again after being dry for the last 30 years. The arrival of water is changing the landscape as well as accommodating different species which historically have not been able to survive in the rather arid plains of Savuti. This exciting event has allowed large breeding herds of elephant as well as buffalo to visit the area. Camping will be in private designated campsites with ensuite bush ablutions on every tent. (B,L,D)

Day 3: Moremi – Savuti: 120km. 5-6h

Days 5-6: Chobe River - Chobe National Park, camping

You will then head northwards to the Chobe River where your game drives will meander along the banks of the river, followed by the call of the majestic African Fish Eagle. The Chobe River Floodplain is an amazing game viewing area where water attracts large herds of buffalo, elephant, zebra and other herbivores. Due to the proliferation of prey, predators are likely to be close at hand. Sun sets in this region as always spectacular and allow amazing photographic opportunities.

While in Northern Chobe, you will enjoy a cruise on the Chobe River. This experience allows you to get a closer look at the aquatic animals and birds not easily approached on safari. Camping will be in private designated campsites with ensuite bush ablutions on every tent. (B,L,D)

Day 5: Savuti - Chobe River: 170km, 5hrs

Boat cruise – 2,5hrs

Chobe – Kasane 30 km 1.5 hrs

Dining tent

Tents (3m X3m X1.95m) have stretcher beds, bucket shower and dug loo attached

Day 7 Transfer after your Chobe River cruise to Kasane where your safari ends at 12 noon. We are happy to arrange post-tour accommodation, activities and transfers to Livingstone Airport or lodges, and Victoria Falls Airport or lodges at an additional cost.
